Ted Carroll, CPRP
Recreation Director

The Cohasset Recreation Department and the Clark Chatterton Memorial Fund are pleased to announce the 18th Annual Thanks-for-Giving 5k Road Race on Thanksgiving morning.

For 17 years, including a 2020 virtual run, 9,994 runners have braved the weather of Thanksgiving morning, from our first foggy and 48-degree race to a very chilly, wind-blown 14-degree morning in 2018. Runners, walkers, and rollers aged 1 to 88 come to the challenging, hilly course with a quick trip by Sandy Beach.

Last Thanksgiving, we had a record crowd of close to 1,500 and our first sub-15-minute winner.

It is truly a family and community event, and runners have traveled far and wide to come home and run with us. Our race highlights runners, on average, from over four dozen Massachusetts communities, as well as from 24 states and relatives around the globe.

We could not have done the race without our sponsors. After covering the costs of the t-shirts and race expenses, the race proceeds have allowed for over $150,000 to benefit their worthy causes.

Revenues are vital to both organizations and help keep Cohasset the wonderful community it has always been. The Recreation Department and the Clark Chatterton Memorial Fund will utilize your tax-deductible donation towards future programming and improvements that might otherwise not be financially possible.

The Clark Chatterton Memorial Fund has donated its share to scholarships and high school projects, including a brand-new outdoor fitness area at CHS, funding scoreboards, and supporting the introduction of new sports like swim and volleyball teams.

The Recreation Commission has allocated its share for the necessary improvements to the race, the new Milliken Fieldhouse, the new basketball courts at Sohier Street, and improvements to the Beechwood playground.

As one of Cohasset's businesses, you are invited to join us as a race sponsor, with your name or logo featured on the back of over 1,000 t-shirts. Drive down any street in Cohasset, any season, and you'll see runners proudly wearing our race shirts, further showing your contribution.

Our sponsors will be highlighted on all race information and printed press releases. Depending on the sponsorship amount, sponsors will receive complimentary t-shirts.

A $500 or above contribution will secure a large logo on this year's race t-shirt.

A $200-$499 contribution will secure a regular-size logo on this year's race t-shirt.

A $100-$199 donation will secure your company name on this year's race t-shirt.

We hope you consider a donation. Your tax-deductible donation can be payable to Cohasset Recreation, 100 Sohier Street, Cohasset, MA 02025.

You can also pay by credit card for your sponsorship on our website at www.cohassetrec.com under the "2026 Thanks-for-Giving Race" section. Please send your logo in a JPG format to recreation@cohassetma.gov

Your Name _____ Business Name _____

Address _____

Phone _____Email _____

Donation Amount $ _____

Please let us know by Thursday, November 5th to be included on the shirt.

Thanks,
Cohasset Recreation
